In consideration of services to be received, I understand and acknowledge that this activity is a hazardous activity that can be an extreme test of a person's physical and mental limits, and carries with it the potential for property loss, serious injury or even death. These risks include, but are not limited to those caused by terrain, natural and man-made hazards and obstacles, facilities, temperature, weather, condition of equipment, vehicular traffic, preexisting conditions that I may have, and actions or inactions of other people, including but not limited to participants, volunteers, spectators, coaches, event officials, monitors, and town employees.
